Studied for

**Sahyadri Shikshan Sanstha's
Govindrao Nikam College of Pharmacy**

Sawarde, Tal. Chiplun, Dist. Ratnagiri – 422606

Analysed by

6 December 2021

Disclaimer

Green Audit Team has prepared this report for the **Sahyadri Shikshan Sanstha's Govindrao Nikam College of Pharmacy, Sawarde, Tal. Chiplun, Dist. Ratnagiri – 422606** based on input data submitted by the College analysed by the team to the best of their abilities.

The details have been consolidated and thoroughly studied as per the various guidelines for Green Buildings available in National and International Standards; the report has been generated based on comparative analysis of the existing facilities and the prerequisites formulated by various standards. The inputs derived are a result of the inspection and research. These will further enhance and develop a Healthy and Sustainable Institution.

These can be implemented phase wise or as a whole depending on the decision taken by the Hon'ble Management and College. The warranty or undertaking, expressed or implied is made and no responsibility is accepted by Audit Team in this report or for any direct or consequential loss arising from any use of the information, statements or forecasts in the report.

The audit is a thorough study based on the inspection and on-site investigation of data collected over a period of time and should not be used for any legal action. This is the property of Greenvio Solutions and should not be copied or regenerated in any form.

The Report is prepared by the Team of Greenvio Solutions under their brand and department – Sustainable Academe as Consultancy firm along with Ar. Nahida Shaikh as an Accredited Green Building Professional.

Green Practices Audit

The Institution has undertaken the following initiatives through excellent efforts towards save environment measures before pandemic. The NSS Department holds the nature club and various activities like tree plantation, nature cleanliness, visits to nearby flora and fauna are carried out.

- There is **availability of open space in the premise in addition to the provision of the multiple varieties of flora.**
- There is **organic composting process carried out for decomposition of organic matter of plants and it is used as an organic fertilizer and increase ecology, this is done through Vermiculture.**
- **The ample vegetation benefit the users by providing shade.**
- The College authorities **jointly conduct initiatives for upgrading of the premises from environmental view.**
- **Special provision for ducks as a habitat. It shows the care and concern the entire team has towards biodiversity conservation.**
