ABOUT SANSTHA

Sahyadri Shikshan Sanstha is working on the Principle of “ Educating the people for their socio-economic development in konkan Region”. Though the region is blessed with natural resources it is still lagging behind in educational and Agricultural aspects. We keep the prime objective to educate the students from remote villages in Technical, Agricultural and Medical field. Which in turn will generate employment opportunities to this people result in the socio- economic development of the society in most competitive and liberalized world.
